Good morning,

In order to review your file for mortgage payment assistance options, please review and complete the attached form and return as soon as possible. Below you will find a list of documents that will be required for full review.

Attached you will find an Income and Expense form to be filled out and email back to our department. Based on the information provided, we will then have a better understanding of your financial situation. **Please note we may obtain a current credit bureau report. Also, a title search may be obtained at a charge to you of \$100, if you do not provide it to our office as requested below. Please also note that any approved assistance may affect your credit bureau.**

The first section is for you to fill in the numbers (*please list all creditors separately, how many individuals are residing at the property, and if there is a second mortgage for this property*), while the **second section** is where you can give us a quick breakdown of your current situation

We will also require:

- **Proof of income/ pay stubs**
- **Proof that Justin was off from August -December**
- **Proof of fraud activity (letter from the bank regarding the investigation? Total amount of fraud)**
- **Proof that your property taxes is up to date (tax statement)**

Once we have a chance to review it with our management team, we shall be in contact with you to go over any available options. We thank you for your attention to this and we await your reply.
