... I can't stop thinking about the last couple times we had sex and I massaged and teased ur boobs... When do you think we would be in. Good enough place

Soon I hope

I want to tie u up... And massage ur boobs with oil for a long time teasing u

Thursday, Aug 24 • 8:52 a.m.

I can com upstairs and try to help u sleep

I'm not there yet. I can't tell if we're not fighting because we haven't really seen each other all week or if things are actually changing

U wouldn't have to do anything, I could just go down on u to help u sleep that's it

That's never how it works. You always end up wanting to do something. And I'm exhausted and I smell

No I would do that for you and not go farther

I know the next time it happens I'll try to be slow like the time I said I love u during sex, I'll try to not be so excited

I don't blame you for that. I know it isn't happening often.

No but now I know that u prefer it that way I'll do it that way

I have Saturday and Sunday off. My plan is to do groceries tomorrow so it doesn't ruin Saturday for me. Sunday looks like it's gonna be nice why don't I try to find a video for couples yoga we can follow along to and you can plan dinner. We will have ingredient for quesadillas or salad, or if you want hotdogs on the fire let me know and I'll add them to the grocery list.

I do prefer it that way but you don't.

sure

I just get excited with u

i wouldn't have done it like that if i didn't like it

i promise ill make slow sweet love to u next time

It's gonna have to be. I'm still having a lot of pain since my iud
