

The Wife

headaches?

No I know why they came back

I tried your way I didn't work so I completely stoped

And over the past month or two thatu took it away the headaches just got increasingly worse... But today I ant even hink

I was boiling water for you. I never said stop using it. I also offered ages ago to get you more pods and you said no.

But the shit coming out of your nose is not normal.

I forgot to take a pic of the my dash so here's the pump
